Recommended Practices for use of the Procurement Card

Every cardholder shall take reasonable precautions with the Procurement Card. These include, but are not limited to, the following:

1. Keep the card in view after you give it to a clerk. Get it back promptly after they have imprinted it or it has been swiped.
2. Avoid signing a blank receipt. Draw a line through blank spaces above the total when you sign.
3. When a mistake has been made, destroy all carbons and voided receipts. If the clerk has to keep a voided receipt for the store’s accounting system, be sure to get a copy.
4. Save all procard receipts. Upon receiving your monthly accounting report, check your receipts and payments against the statement.
5. Immediately call Business Services to report any questionable charges on your statement.
6. Never lend your card to anyone.
7. Never leave your card, receipts, or carbons where anyone can pick them up.
8. Never put a card number on a postcard or on the outside of an envelope.
9. Never give your card number over the phone unless you are dealing with a company you are sure is legitimate.
10. Whenever possible, use those vendors identified by the purchasing department.

QUESTIONS TO ASK YOURSELF REGARDING A TRANSACTION

- Would I be comfortable submitting this credit card transaction to the Board of Trustees for approval?
- Could I defend this expenditure to a group of reporters, the district attorney, or the Audit and Finance Committee?
- Is this an “actual or necessary” use of public funds?

Remember that “public funds” includes all General Fund 14, funds 15, 21, 22, 76 Campus Center, Bookstores, etc. These are all the funds we manage with the exception of the Foothill-De Anza Foundation.
